

CERTIFICATE OF REGISTRATION

Privacy Information Management System
ISO/IEC 27701:2019

Analytics Simplified Pty Ltd

100 Harris Street
Pymont, 2009 NSW
Australia

Sensiba LLP certifies that the organization operates a Privacy Information Management System that conforms to the requirements of ISO/IEC 27001:2022 and ISO/IEC 27701:2019. The scope and boundaries of the ISMS / PIMS is as follows:

“The scope of certification encompasses the Information Security Management System (ISMS) and Privacy Information Management System (PIMS) governing the Conjointly platform. This includes the design, development, deployment, maintenance, and support of the Conjointly platform, ensuring compliance with information security and privacy requirements. The organization operates as a Data Processor and Data Controller. This certification applies to the systems, infrastructure, and personnel involved in managing and delivering the Conjointly platform to customers.”

This certificate is based on the ISO/IEC 27001:2022 Certificate Number: ANA-ISMS-20251106.

The organization's PIMS operates as a controller and processor.
